| 9.0 | <p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>Due to the recent housing slump, there is an adequate supply of rental units. Rents have reduced over the last year also. Even with the supply of units and the reasonable rents, many low income, very low income and extremely low income families cannot afford housing. This is particularly true of the single-person household, many of which are elderly and/or disabled and living on a fixed income.</p> |
| 9.1 | <p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>The Housing Council will continue to ensure that all available vouchers are in use. The 5-year mainstream vouchers we administer will remain fully leased. The Housing Council will continue outreach to all families who are eligible for the voucher program and will encourage participation by landlords.</p> |
